Junior web developer Specialist

PROFESSIONAL EXPERIENCE

Harar, Ethiopia
Sep 2024– Present

- A motivated and passionate Junior Web Developer with hands-on experience in building responsive and user-friendly websites using modern technologies.
- Skilled in both frontend and backend development, with a strong understanding of the MERN stack (MongoDB, Express.js, React, Node.js).
- Eager to contribute to dynamic teams, solve real-world problems, and grow in a professional development environment.

web developer Specialist

Internship in Nile Technology Solution
In harar, Ethiopia
Jun 2024 – Aug 2024

- I gained valuable experience in both development and teaching during my internship at Nile Technology Solution
- I taught many students, including those with little or no prior tech or basic computer knowledge.
- As a developer, I also contributed to building two websites, which provided me with significant hands-on experience.
